5%	Up to 83%	53%	52%	**99.5%**
15%	Up to 83%	53%	49%	**99.5%**
20%	Up to 83%	53%	47%	**99.5%**
35%	Up to 83%	53%	43%	**99.5%**
50%	Up to 83%	52%	38%	**99.5%**
70%	Up to 83%	52%	31%	**99.5%**

MODELED PERFORMANCE BY VLT

IRER and TSER are provisional engineering scenarios, not measured or certified performance.

IRR @ 1400 nm does not mathematically determine IRER or TSER; shade-specific values are shown when supplied.

UV rejection 99.5% per Midas specifications; confirm all technical values before external publication.

Made in USA from Global Sourced Materials
